The Wind Gap Middle School Gifted students have been working on a Family Heritage project since the beginning of school. Part of that project was to collect recipes from families and friends of the Pen Argyl School District and compile them into a Padded Three Ring Binder professionally printed and produced.

The students collected over 185 delicious recipes! Please send your order to:

Suzanne Powrie—Wind Gap Middle School

Or email your order to powrie.suzanne@penargylsd.org.

I have a mailbox in every building to deposit order and money.
